

16th July 2021

Dear Student & Parents/Carers

We hope you are all well, safe, healthy, and having a lovely start to the summer.

We are writing to outline the plan for A Level results day on **Tuesday 10th August** followed with UCAS Clearing support. The plan as laid out below is summarised on the following page with an annotated map to make things clear.

Students must enter and leave through the back entrance via Kinfauns Road and car park to the school when collecting results. Results cannot be collected by anyone else. If you are unable to attend for any reason, these will be posted to you. If you know in advance that you will not be able to attend to collect results, please email Miss Sambhi at sambih@mayfieldschool.net to see if we can email these to you.

Students may collect results from 9.00am until 11.00am in Café Best. If students choose to stay on site for support with Clearing, they can stay on site until 1:00pm, all students must be off site by 1:30pm.

If you have any school textbooks or equipment, please bring them back on Results Day and leave in Café Best.

Please continue to stay safe during the summer period. If there are any questions, please email us on sambih@mayfieldschool.net or sviderskyteq@mayfieldschol.net

Yours faithfully

Miss Sambhi
Assistant Headteacher

A Level results plan

- Students must use the back entrance to school and enter through the carpark entrance.
- Students/parents cannot park on site and must park elsewhere
- Results will be collected from 9.00am – 11.00am in Café Best

Key

-  Collection points for results
-  Foot Traffic flow
