14.30-16.30	Staff Testing- twice a week (leave 3-5 days between tests)								

NB. SCT (Student COVID Training)

Current government guidance states that after these 3 tests staff and students will test at home twice a week. Staff and students will be shown how to complete a test and students will also have a 5 minute training session during the second week.

We have also made a YouTube video showing how to complete the home test

<https://youtu.be/8i80nE8B1wc>

A more detailed youtube video is provided here by the government:
