

Dear Year 11 Students and Parents/Carers,

27 April 2021

Summer Term Arrangements

As we continue with the summer term, we are all very impressed with the attitude all students are showing with the ongoing assessments and completing coursework that will help your teachers to grade you appropriately.

We are now able to share the evidence teachers will use to arrive at the grades they will submit to the exam boards. The sources of evidence to be used in each qualification are shown in table at the end of this letter. The process we will use at Mayfield will be multi-layered with several checks built in to make sure the grades submitted are fair, consistent and based on the evidence we have. If you have any reasons that we need to be aware of regarding the evidence to be used, please complete the form at <https://forms.office.com/r/7jvLHG9Bs1> to allow us to consider this in the grading process. All responses need to be received by Friday 7th May at 4pm.

With the unprecedented events this year, we have made some alternative arrangements for students expecting results in the Summer for the second half of this term.

Friday 21st May

Students will attend school on Friday 21st May and will be dismissed from the school site after break between 11.30 am and 12.00 midday. Students will not be expected in school as usual after this date.

Weeks beginning 24th May and 7th June

Year 11 students will be required to be contactable by school at short notice and will need to be able to come into school if required to support the grading process. During this time, students will be expected to be working on any independent work that teachers will have set them to close any further gaps in their learning and that will be useful in their next steps of learning or employment. Teachers will be available to students on MS Teams during their normal lesson times.

Week beginning 14th June

Students will be invited to attend sessions that will be relevant to their next steps, with a majority invited to attend our Year 12 Transition Week in school, and others invited to participate in sessions dedicated to preparing students for their move to college or an apprenticeship. It is important that students attend these sessions. More details will be provided nearer the time.

21st June – 30th June

Students will be expected to complete transition work set during the Transition week.

Thursday 24th June evening

Year 11 Celebration event is being planned. Details will be released soon.

Thursday 1st July

Year 11 Prefects required in school to support with Year 6 to 7 Transition day. Prefects will be given details at a later date.

Thursday 12th August - RESULTS DAY and Year 12 Enrolment

Results will be available for students to collect from School at 9.00 am. Enrolment into Mayfield Sixth Form will take place on this date with students being given an appointment time to complete this with a member of staff. Students are strongly encouraged to attend at the time that they are allocated to ensure they are able to secure a place on the courses they want and are eligible for.

We are so proud of all you have done and how you have coped with this year and look forward to celebrating with you in August when your results are released.

Yours faithfully

Mr Pointon
Deputy Headteacher

Mr Marsham
Assistant Headteacher

Evidence to be used to calculate grades:

Qualification	Evidence to be used
GCSE English Language GCSE English Literature	PPE November 2020 In class assessments April 2021 In class work from across the course
GCSE Maths	PPE November 2020 In class assessments April 2021 In class work from across the course
GCSE Combined Science GCSE Biology GCSE Chemistry GCSE Physics	PPE November 2020 In class assessments March/April/May 2021 In class work from across the course
GCSE Computer Science	PPE December 2020 In class assessments March 2021 In class work from across the course
GCSE Geography	Paper 1 End of Unit tests from Yr10 Paper 2 End of Unit tests from Yr10 Paper 2 December 2020 PPE Paper 3 UK Challenges End of Unit tests February 2021 Paper 1 and 2 End of Unit tests March/April 2021 In class work from across the course
