Mayfield Basketball Academy with Newham All Star Sports Academy (NASSA).

We are excited to announce a new partnership with [NASSA](#) Basketball club. NASSA already deliver coaching sessions throughout the year for students in all year groups. Due to the success of this partnership, we will be starting a Sixth Form Basketball academy in September for Year 12 and 13 students. Students in the academy will be able to study a variety of courses including A-Level P.E or BTEC P.E whilst also receiving high quality training sessions from coaches at NASSA and competing in high-level competitions.

Students will also have the opportunity to train and play for NASSA's basketball team at the weekends in the England Basketball National League competitions. This is an exciting opportunity for aspiring Basketballers to gain qualifications whilst doing what that they love.
