

27th April 2021

Dear Year 13 Students and Parents/Carers,

Summer Term Arrangements

As we continue with the summer term, we are all very impressed with the attitude all students are showing with the ongoing assessments and completing coursework that will help your teachers to grade you appropriately.

We are now able to share the evidence teachers will use to arrive at the grades they will submit to the exam boards. The sources of evidence to be used in each qualification are shown in table at the end of this letter. The process we will use at Mayfield will be multi layered with several checks built in to make sure the grades submitted are fair, consistent and based on the evidence we have. If you have any reasons that we need to be aware of regarding the evidence to be used, please complete the form at <https://forms.office.com/r/7jvLHG9Bs1> to allow us to consider this in the grading process. All responses need to be received by Friday 7th May at 4pm.

With the unprecedented events this year, we have made some alternative arrangements for students expecting results in the Summer for the second half of this term.

Thursday 20th May

Students will attend school on Thursday 20th May and will be invited to a celebration event after lunch and will be dismissed from school site after 4pm. Students will not be expected in school as usual after this date.

24th May – 30th June

Year 13 students will be required to be contactable by school at short notice and will need to be able to come into school if required to support the grading process. During this time, students will be expected to be working on any independent work that teachers will have set them to close any further gaps in their learning and that will be useful in their next steps of learning or employment, including some work preparing them for their University course or apprenticeship. Teachers will be available to students on MS Teams during their normal lesson times.

Friday 25th June 6pm – 11pm

A Year 13 Celebration event is being planned. Details will be released soon

Tuesday 10th August – A-Level RESULTS DAY

Results will be available for students to collect from School at 9am. Staff will be available to support students with UCAS/apprenticeship processes throughout the day.

We are so proud of all you have done and how you have coped with this year and look forward to celebrating with you in August when your results are released.

Yours faithfully

Mr Pointon
Deputy Headteacher

Miss Sambhi
Assistant Headteacher

Evidence to be used to calculate grades:

Qualification	Evidence to be used
A Level Art	Unit 3- Personal investigation Sept 2020 - May 2021
A Level Biology A Level Chemistry A Level Physics	PPE November 2020 In class Assessments March/April/May 2021 Year 12 In Class Assessments In class work across the course
